CHANGING OF THE CARDS . . .

Beginning May 4, 1978 a Spring/Summer parking card will be needed to operate the parking gates. The Trimester parking card will cost \$8.00 and may be purchased at the Cashier's Office or the Bookstore.

Annual cards will remain in effect through the Spring/Summer Trimester.

CHILD CARE SERVICES EXAMINED . . .

In January, 1978, the Child Care Center moved from the Vick House to the main GSU campus. Ms. Terri Swanson was appointed interim director, and a qualified staff was hired to provide child care services in the Center.

Day care is available from 8 a.m. to 5 p.m. and drop-in services from 8 a.m. to 11 p.m. Day care presently serves nineteen children and the drop-in service about eighty children.

The Child Care Center Board is discussing which types of child care services would best serve the GSU community and how these services could be financed. The Board will examine all feasible alternatives and prioritize them. The Board's report will recommend to the Provost the nature of the services to be offered and the sources of support. The major goal of this endeavor is to provide well-conceived and strongly-supported child care services at GSU. There is no intention to close the Center.

ATTENTION FACULTY . . . Academic garb must be ordered for Commencement by May 10, 1978. Orders may be placed in the GSU Bookstore between 10 a.m. and 4 p.m. The University's eighth annual Commencement ceremonies are scheduled for June 3 and 4.

THE REDCOATS ARE COMING . . .

If you are on campus April 29th and 30th, and happen to run into a large man wearing a red coat, tall bearskin busby, and carrying a 5-foot musket and a mean looking bayonet and sword, you haven't stepped into a time warp, nor has DPS changed their uniforms; you have just met a British Grenadier from the Revolutionary War era.

The "Bloody Lobsterback" is just one member of the Northwest Territory Alliance, an historical Revolutionary War re-enactment association consisting of American Continental, British, German, and French troops, who will be present for their annual "School of the Soldier," a type of "dress rehearsal" for the coming season of performances in the Midwest. The "School" will consist of various classroom activities and other outdoor maneuvers for the members.

The byword of the association is authenticity down to the most minute detail of the uniform in order to represent "living history" at its best. Any member will be glad to answer your questions regarding the association, the historical period they represent, or express their opinions about either those "American Rebels" or "Tyrannical Redcoats."
